

10 Car & Bike Show @ Superstition H-D AZ Rider

Saturday November 7 was a beautiful day for a ride. We stopped by Superstition Harley-Davidson, located at 2910 W. Apache Trail in Apache Junction, to check out their annual Car & Bike Show. Some of you are familiar with our interest in vintage & custom cars. This was an outing difficult to resist.

We met the dealership's new owner John and GM Justin. And as it turns out, one of our favorite gals, Red, is happily hanging her hat here now ☺ She is their Event Coordinator.

This was the second year that the Seductive Car Club hosted this Car & Bike Show; which ties in with the dealership's annual Toy Drive KickOff. This year's beneficiaries are Sunshine Acres Children's Home & the Apache Junction Boys & Girls Club.

Between the hours of 10a-2pm you could stroll the SHD parking lot FILLED with beautiful cars, motorcycles, and even bicycles.... There were 125+ entries! The show's registration fee was a new unwrapped toy. All vehicles were welcome to participate. The oldest auto I observed was a 1920 T-Bucket. Excellent! Car Clubs coming out in support included: Descendants, East Valley Cruisers, Klique, Krusin Low, Outsiders, Pride, Rollerz Only, Society, Solitos Arizona, Spirit, Timeless, United, USO, and Xklusive. Custom Bike Builders Bagger

Nation and Brian Jenkins also came out. Plus there were many independent owners who participated.

There were numerous vendors, offering foodstuffs and other goods; including our advertisers HoggDoggs and Purple Slice.

Entertainment & activities included music by The Recalls. There was also a 'Car Hop' exhibition by Frank's Custom Hydraulics. Red commented, "Some of our spectators had never seen anything like it before and were really surprised at exactly what those cars can do, and how incredibly technical it is."

We had to roll on before all the winners were announced. There was an outstanding collection of machines out there. It would have been difficult to judge. Congratulations to all the winners. People's Choice Awards: Luis Zaval #63, Tracy Rodriguez #61, Jay Erschen #82, Sherman Katherineberg #85, Sidewinders #32, Mikey Castellano #62, Roger Ritchey #28, Art Guerrero #88, Gina New #1, Tim Contreras #74, Phil Jones #55, and JR Reyes #69.

An estimated 500-600 spectators visited the show & dealership during the day. Superstition H-D commented, "Thanks to everyone who came out and participated in our Annual Car & Bike Show. Thanks to all who made a Toy Donation."

Red sent the following to share with

our readers, "We are still accepting toys, and are planning a ride to deliver to The Boys and Girls Club on December 12th, KSU 4:30pm. There's another ride to deliver on Dec. 21st to Sunshine Acres, KSU 4:30pm. Get out your leathers, scarves, & gloves and Ride with Us.

"This was a HUGE event! And we expect it to just get bigger! Great big Thanks to all who came out and participated, to all the Vendors and Special Guests. This event was all about the kids and how a community can come together in support! We had people out from as far as Surprise, Avondale and Peoria! Special Thanks to Paul Ponzetti and the members of 'Seductive Car Club' for all their time and hard work!"

Superstition H-D wants to recognize the following for their support of this event: Divine Signs - Erik Scott (Awards); VMI Mobility - \$500.00 Toy Donation, & Brenda Yates and family - \$530.00 Toy Donation.
